TAKE NOTICE that the St. John's Municipal Council has enacted an amendment to the St. John's Vote by Mail (Amd. No. 1-2005) By Law.

The said Amendment was passed by Council on the 11th day of April, 2005 and will repeal Appendix A and replace it with the following:

1. The Returning Officer shall design and implement a multi-media voter information program during the six month period prior to election day.
2. The official "Voter's Kit" will be sent to all voters on the Voter's List no later than 10 days after the close of the nomination period.
3. Immediately upon receipt of the Voter's Kit, a voter may return his/her Return Envelope and Ballot Envelope by mail in accordance with the final deadline - as determined by Canada Post Corporation - which will ensure delivery to the City of St. John's by 8:00 p.m. on election day.
4. Voters will also have the option to drop their Return Envelope and Ballot Envelope into the Drop Off Center at City Hall 24 hours a day up to 8:00 p.m. election day.
5. Voters who do not need to be sworn in may drop their Return Envelope and Ballot Envelope into either Satellite Drop Off Center between 8:00 a.m. to 8:00 p.m. on election day. The Returning Officer shall determine the number of Satellite Drop Off Centers that may be set up for election day.
6. To ensure prompt delivery of all Return Envelopes to the appropriate location, a separate postal box shall be secured and shall remain separate from any and all other postal addresses utilized by the City of St. John's.
7. Immediately following the distribution of Voters' Kits to the electorate, the Returning Officer shall put in place personnel for the tracking of which voters have returned their Ballot Envelopes.

8. The Returning Officer shall ensure the appropriate level of staffing for the Satellite Drop Off Centers.
9. The Returning Officer may use any currently available electronic and/or manual processes to separate the Voter Declaration Form from the Ballot Envelope and match the Voter Declaration Forms to the Voter's List.
10. The separated Ballot Envelopes and Voters' Declaration Forms shall be held in a secure location.
11. All Voters' Kits will be imprinted with "RETURN TO SENDER IF UNDELIVERED TO ADDRESSEE". Upon receipt of these returned non-delivered Kits, adjustments will be made to the Voter's List to advise that the Voter's Kit has been returned to the election office. All returned Voters' Kits in this category will be held in a secure location.
12. The Returning Officer may use any currently available electronic and/or manual process to conduct the counting of ballots.
13. The areas designated as counting areas on election day shall be closed to all personnel other than those necessary for the conduct of the count of ballots and security personnel shall be posted at each counting area to ensure restricted entry and secrecy of the results is maintained until 8:00 p.m. on election day. Election staff will be sequestered in the counting areas on election day from the commencement of the count until all ballots have been opened and counted.
14. Access to the counting areas shall be at the discretion of the Returning Officer and shall require an approved access pass.
15. No cellphones or similar electronic communications equipment shall be allowed in the counting areas at any time during the counting of ballots.

No swearing in of voters will take place at City Hall on election day.
21. On election day, a voter not included on the Voter's List must be sworn in at the Satellite Drop Off Center located in his/her own Ward.
