CANADA-NEWFOUNDLAND AND LABRADOR OFFSHORE PETROLEUM BOARD CALL FOR BIDS No. NL12-02 (Area "C" – Flemish Pass)

The Canada-Newfoundland and Labrador Offshore Petroleum Board hereby gives notice of a call for the submission of bids in respect of one parcel in the Newfoundland and Labrador offshore area.

This notice of the Call for Bids No. NL12-02 is made pursuant and subject to the *Canada-Newfoundland Atlantic Accord Implementation Act*, S.C., 1987, c.3, and the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*, RSNL, 1990, cC-2.

The following is a summary of the Call for Bids No. NL12-02:

- (i) Sealed bids will be received by the Board prior to the time of closing of this call for bids. This call for bids will close at 4:00 p.m., Newfoundland Standard Time, on November 1, 2012, except as specifically provided for in the Call for Bids No. NL12-02.
- (ii) All bids must be submitted in accordance with the terms and conditions of the Call for Bids No. NL12-02.
- (iii) The parcel is located offshore Newfoundland and Labrador and is described in Schedule I. An Exploration Licence may be issued for this parcel.
- (iv) For the purpose of selecting a bid, the sole criterion to be used will be the total amount of money the bidder commits to expend on exploration on the parcel within Period I ("Work Expenditure Bid").
- (v) A minimum bid of \$1,000,000 will be required for this parcel in Area "C" - Flemish Pass.

- (vi) For the parcel, the Work Expenditure Bid must be accompanied by a bank draft or certified cheque in the amount of \$10,000 ("Bid Deposit") made payable to the Receiver General. Furthermore, the successful bidder will be required to provide, within 15 days of notification of being the successful bidder, a promissory note in the amount of 25% of the Work Expenditure Bid ("Security Deposit"). A credit against the Security Deposit will be made on the basis of 25% of allowable expenditures as described in the Exploration Licence ("Allowable Expenditures").
- (vii) The successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days. Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.

Following the announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible.

- (viii) The interest owner may at its option extend Period I from six years to seven years by providing to the Board before the end of the sixth year of Period I either:
 - (a) a description of 50% contiguous Licence Lands to be surrendered together with a refundable drilling deposit of \$1,000,000,

OR

 - (b) a \$5,000,000 refundable drilling deposit.

A drilling deposit posted pursuant to paragraph (a) or (b) above will be refunded in full if the Exploration Licence is validated for Period II by the drilling of a well on that Exploration Licence. No interest will be paid on the drilling deposit.

If a validation well is not drilled, the drilling deposit will be forfeited to the Receiver General for Canada upon termination of the Exploration Licence at the end of Period I. Allowable Expenditures cannot be applied against the drilling deposit.

- (ix) For the parcel, the licence requirement will be one well to be commenced within Period I and diligently pursued thereafter.
- (x) For the parcel, rentals will be applicable only in Period II at the following rates:

1 st year	\$5.00 per hectare
2 nd year	\$7.50 per hectare
3 rd year	\$10.00 per hectare

When an Exploration Licence continues in force beyond Period II, rentals will be payable at the rates applicable during the last year of Period II.

Rentals will be payable annually, in advance, and are to be submitted by cheque payable to the Receiver General, except for rentals applicable to an Exploration Licence continuing beyond Period II, which will be payable monthly, in advance, at the rate of one-twelfth (1/12) of the applicable annual rates.

Rentals will be refunded annually, to a maximum of 100% of the rentals paid in that year, on the basis of a dollar refund for each dollar of Allowable Expenditures for that year.

Carry forward provisions to reduce rentals otherwise payable in ensuing rental years will apply.

Rentals will apply to lands subject to a declaration of significant discovery during the term of the Exploration Licence at the rates and levels of refundability specified above.

- (xi) An Allowable Expenditure schedule will have application throughout Period I of the Exploration Licence. The rates of Allowable Expenditures will be reviewed, and may be amended, at the expiration of Period I.

(xii) Rentals (“Significant Discovery Licence”)

Each Significant Discovery Licence shall be subject to the following rental regime after the expiration of the term of the Exploration Licence of origin:

- (a) Rentals on Significant Discovery Licences, following the expiry date of the Exploration Licence, shall be at the following base rates:

Year 1 to 5	\$0.00 per hectare
Year 6 to 10	\$40.00 per hectare
Year 11 to 15	\$200.00 per hectare
Year 16 to 20	\$800.00 per hectare

The rental rates applicable to any Significant Discovery Licence resulting from Call for Bids No. NL12-02 will be payable in constant (inflation adjusted) 2013 dollars.

- (b) Rental rates of \$800.00 will increase by \$100.00 for each year beyond year 20, and will be payable in constant (inflation adjusted) 2013 dollars until the Significant Discovery Licence is relinquished or converted to a Production Licence. For greater certainty, the interest owner may relinquish lands to reduce future rental payments.
- (c) There shall be no carry forward of excess allowable expenditures from Exploration Licences.
- (d) Rentals are to be submitted by bank draft or certified cheque payable to the Receiver General for Canada.
- (e) For greater certainty, rentals shall be calculated on the basis of the total hectareage of lands held as part of the Significant Discovery Licence, as of the anniversary date.
- (f) Rentals will be refunded annually, to a maximum of one hundred percent (100%) of the rentals paid in that year, on the basis of a dollar refund for each dollar of allowable expenditures for that year.
- (xiii) A successful bidder will be required to comply with the Canada-Newfoundland and Labrador Benefits procurement, employment and reporting procedures as established by the Board in its *Exploration Benefits Plan Guidelines*.
- (xiv) Each parcel will be subject to the payment of issuance fees and Environmental Studies Research Fund levies.
- (xv) The Board is not obliged to accept any bid or issue any interest as a result of this call for bids.
- (xvi) Any licence that may be issued shall be in the form of the exploration licence attached to the Call for Bids No. NL12-02.

The full text of Call for Bids No. NL12-02 is available at the Board’s Web site (www.cnlopb.nl.ca) or upon request made to the Registrar, Canada-Newfoundland and Labrador Offshore Petroleum Board, TD Place, Fifth Floor, 140 Water Street, St. John’s, Newfoundland and Labrador, A1C 6H6, 709-778-1400.
